WORKING DOCUMENT ON TRADE MECHANISMS

Overview of the TRQs managed by agricultural licence. Version 1.

All TRQs
Green : selection of TRQs potentially eligible for transfer to first-come-first-served management, based on mechanical criteria (quota fill rate less than 65% at average in 3 years)
Red: selection of TRQs not used due to Sanitary or Phytosanitary reasons in the third country concerned
Yellow: selection of over-subscribed TRQs

This document is provided by DG AGRI for the purposes of providing a framework for a structured discussion on suggestions that have been put forward by Member States and stakeholders in the course of the review of the TRQ legislation. The document is an orientation, and the content is not complete. It does not reflect the official position of the Commission, and the points mentioned will not necessarily be included in the Commission's eventual proposal.
